This notice is being sent to inform all Pooling Administration System (PAS) users regarding the termination of activity on the existing PAS and the activation of the enhanced PAS, as approved by the FCC. To enable data migration to the new system, the existing PAS will be de-activated on **Friday, February 8 at 8:00 PM ET**. The new system will be available to users on **Monday, February 11th at 8:00 a.m. ET**.

Therefore, no activity will be permitted or accepted in PAS from **Friday, February 8th at 8:00 p.m. ET to Monday, February 11th at 8:00 a.m. ET**. During this weekend time frame, the PAS **will not** be available, and you **will not** be able to submit any new requests, donations, or forecasts.

Also as a reminder, if you have not done so already, please **register for the enhanced PAS** by going to www.nationalpooling.com. This is necessary even if you are already a registered user of the existing PAS. Existing registrations will not be migrated, and until you register in the new system, you will not have access to it.
